FALL SEMINARS 2009

THURSDAYS AT 12:30 PM
BIOMEDICAL AND PHYSICAL SCIENCES BUILDING
Room 1425

- 9/10 Dr. David Lovejoy**
Integration of anxiety-associated behaviours and neuroprotection by a new family of neuropeptides, the teneurin C-terminal associated peptides (TCAP)
University of Toronto
Toronto, ON
Host: Dr. Heather Eisthen
- 9/17 Dr. Adrienne Salm**
Paradoxical effects of prenatal stress on auditory thresholds vs. extinction to attenuated tone following auditory fear conditioning in rats
University of West Virginia
Morgantown, WV
Host: Dr. Peter Cobbett
- 9/24 Dr. John Spitsbergen**
Neurotropic factor biodynamics in animal models of disease
Western Michigan University
Kalamazoo, MI
Host: Dr. Bill Atchison
- 10/1 Dr. Michael Berens**
Rationale and Approaches to Target Glioma Invasion
Van Andel Research Institute
Grand Rapids, MI
Host: Dr. David Kaufman
- 10/8 Dr. Susan Ravizza**
The left temporoparietal junction in verbal working memory: storage or attention?
Michigan State University
East Lansing, MI
Host: Dr. Cheryl Sisk
- 10/15 Dr. Frank Johnson**
Methylmercury Potentiate Glutamate Excitotoxicity in Development of Paralytic Phenotype in SOD1-G93A Mice
Michigan State University
East Lansing, MI
Host: Dr. William Atchison
- 10/22 Dr. Hiroaki Matsunami**
A nose in a dish: Functional expression of mammalian odorant receptors
Duke University
Durham, NC
Host: Dr. Weiming Li
- 10/29 Dr. J. Scott Turner**
The Intentional Brain
SUNY College of Environmental Science & Forestry
Syracuse, NY
Host: Dr. Rudy Bernard
- 11/5 Dr. A.D. Craig**
How do you feel? The neuroanatomical basis for human awareness of feelings from the body: Right/Left asymmetry
Barrow Neurological Institute
Phoenix, AZ
Host: Dr. John I. Johnson
- 11/12 Dr. Yaping Tang**
Post-training dephosphorylation of eEF-2 promotes protein synthesis for memory consolidation
Louisiana State University
Baton Rouge, LA
Host: Dr. Hongbing Wang
- 11/19 Ken Oki**
DISSERTATION PROPOSAL
Androgen toxicity on neuromuscular physiology in a novel model of SBMA
Michigan State University
East Lansing, MI
Hosts: Dr. Marc Breedlove/Dr. Cindy Jordan
- 11/26 THANKSGIVING**
- 12/3 TBA**

Refreshments Will Be Served
